FINAL EXAMINATION

DUE DECEMBER 15

I Write five pages on one of the following:

1. What is the relation of foreign and domestic policy for Machiavelli?

2. Why does Machiavelli favor republics over principalities?

3. According to Machiavelli, what were ancient Rome's chief defects and how is it possible to remedy them?

4. According to Machiavelli, what are the basic different kinds or classes of men and what is their relation in a well-ordered republic?

5. Given that he is unarmed, how does Machiavelli expect to succeed?

II Write five pages on one of the following:

1. Using a few well chosen examples, discuss how Machiavelli uses his sources.

2. In what order and on what basis does Machiavelli rank the following: Camillus, Fabius, Hannibal, Scipio, Romulus, Numa ?
